

## RESEARCH BASED EXECUTIVE SEARCH SERVICES

CGF Research Institute (Pty) Ltd (CGF) is pleased to announce that their service offering to their clients includes research based executive search.

### 1. Finding the specialists, locally and internationally

A relationship has been formed with a dominant player in the Executive Search, Board Services and Talent Consulting industry in sub-Saharan Africa which has a strategic alliance with a leading international executive recruiting organisation, with associate offices worldwide.

The Executive Search services offered include the appointment of:

- Main Board Non-Executive Chairman and Non-Executive Directors
- Executives (for remuneration levels above R900 000 per annum)
- Interim Executives (short-term contract executives)

### 2. Further information & contact details
