## **Aon's Product Range made available to CGF's valued members and constituents**

### **Advertorial by Aon South Africa (Pty) Ltd**

Across our product range, CGF's members will have the benefit of a personalised service via a dedicated FAIS-compliant Account Manager who is skilled in personal insurance to give the right advice, with a passionate commitment to exceptional service.

Aon's household and motor insurance solutions meet the need for better service, more options and greater flexibility with its focus on traditional short-term products and a number of specialised products inclusive of:-

- House and Motor
- Buildings (the structure, including thatch)
- Pleasure craft
- Classic cars
- All risks (those items removed from the clients' home)
- Fine arts and antiques
- Personal liability
- Personal accident
- Computers
- Travel
- Motorcycles
- Executive Cars
- Domestic employee personal accident

Our team of specialists have the experience and expertise to manage the most complex personal portfolios with tailored solutions.

Through Aon Private Insurance Broking, By Preference is an enhanced blue-chip product, underwritten by Santam and has been packaged into a unique policy in recognition of individual achievements, lifestyle trends and personal needs. By Preference caters for the needs of individuals with significant and often complicated asset bases, managing the most complex of personal portfolios. This product offers one of the widest insurance covers and highest limits in the market to ensure your valuable assets are adequately protected.

Additional products within our product range includes:-

### **By Design**

Underwritten by Santam, By Design offers you the best insurance protection with a combination of unequalled cover, service and price. By Design offers affordable deductibles, car hire, accidental damage on buildings and contents and the ability to cover business goods at home in addition to normal personal insurance protection.

### **Auto & General**

A direct solution backed by Aon and underwritten by Auto & General, Fresh offers buildings, contents, all risks and motor cover with a one-year premium guarantee and the option of a cash back bonus.

### **Santam Auto By Design**

A motor only cover which allows for lifestyle add-ons such as:

- All Risks e.g. cell phones, laptops
- Personal Liability

Together with R10 000.00 free personal accident cover, this policy is ideal for the first time insurance buyer.

### **Family Protector**

This product provides compensation in the event of accidental death and disability for the whole family including domestic employees.

## **En-Route In-Car Insurance**

In view of the changes in legislation of the Road Accident Fund limiting claims to a maximum pay out of R160 000.00, this product has been specifically designed to provide cover to the driver and occupants of an insured vehicle in the event of an accident.

Through Aon Private Insurance Broking, CGF's valued members and constituents now have access to preferential rates on household, motor and small business insurance, offered through CGF's *Governance Connect*® mobile application, which can be accessed on any smart cell phone by typing [www.governanceconnect.mobi](http://www.governanceconnect.mobi) on the smart cell phone browser.

Aon proudly supports good corporate governance and we are delighted to be associated with CGF. We look forward to being of service to all CGF's members and constituents.
